IMPORTANT PERSONAL PROJECTS

The Welshrighz Project & Wrighzer Connect — *My Personal Project platform*

Though I have completed many a project, a chart and a-essay...I must say this is the biggest and most promising yet. It encompasses a social media marketing platform, A music label and a non-profit. Never fear! I have much help from my fellows so there is just enough time to fit in a 9-5 and my side endeavors!

100% Biodegradable Water filter (In process)

I have developed and sourced materials for a 100% biodegradable bio-filter -which I plan to distribute free to countries with water issues and for sale in 3rd world locations.

KINGHASHES

KingOhashes is both my lifestyle and Herbal Coaching platform. It specializes in finding 1 on 1 solutions for those in search of consolidating ,visualizing and stabilizing their current lives in such a way to facilitate their goals.

KOHMBUCHA

Last but not least, an ancient and alchemic elixir, known as Kombucha, is one of my newer endeavors. I have my own brand that is both delicious and incomparable in terms of the entire experience of influencing and providing balanced nutrition in a way that is entirely representative of the creator.

Green Certification through the United Brotherhood of Carpenters

- **Career Technical Training Certificate of Completion from New Orleans Job Corps**
- **ETC.**
